

97. Glass-Technology Conference

27-29 May 2024
Eurogress, Aachen

SUBMISSION
DEADLINE
15.12.2023

Call for Papers

Join Europe's premier glass conference by Deutsche Glastechnische Gesellschaft (DGG) in Aachen's Eurogress. Our conferences offer a platform to spotlight advancements and innovations in glass science and technology.

We warmly invite contributions from the global community of researchers, scientists, engineers, industry professionals, and leaders to enrich the content and discussions of this esteemed event.

- Session 1:** Chemistry and structure of glasses
- Session 2:** Glass physics, properties and characterization
- Session 3:** Glass-ceramics / Crystallization in glasses
- Session 4:** Sustainable glass production
- Session 5:** Glass forming and post-processing
- Session 6:** Glasses for better life
- Session 7:** Computational glass science and technology

Programme Chair
Christian Roos
RWTH Aachen University

Conference President
Joachim Deubener
Clausthal University of
Technology
